Dazed by Death is book four in the Black Camelot series.

The city is in mourning after the chaos of *Black Camelot's Days of War*. Chief of Detectives, Teddy Walker managed to hold off a race war, but now, with the death of key New Yorkers, tensions are high and revenge is on the minds of forces he can't control.

Disgraced southern politician Digby Yates and his political aspirations are also undaunted. He remains focused on his ambitions and has begun courting a powerful but flawed southern televangelist family who will provide his campaign the press support it needs to win white America.

Guiding Force member and Senator Janet Bivens has reluctant ambitions for the highest office, but her team of advisers want her to go for it. Donald Alexander made a big decision, too. He announces what friends and associates have long hoped for. The decision follows Oliver Harris's command that Donald and the Black Camelots' take their power and wealth to do good.

Alexander's decision coincides with an epic massacre in the city and the continued quest by hate groups to kill the Black Camelots.

The series will continue in October, 2022. Book five will be the first of three political novels that the Myers has dubbed the V series of Black Camelot books. The V's are short for Vows, Vengeance and Victory.

"That might be the end or I just may take a pause, but these stories will focus on the political battles that are evolving with Janet Bivens and Digby Yates and Donald Alexander's high approval ratings that are pulling him into politics, the author said.
